## LATIN AMERICA ACADEMY – CUZCO, PERU

### ABOUT THE SCHOOL AND THE CITY

Latin America Academy in Cuzco occupies a large building on one of Cuzco's main avenues, directly in front of the most important site from pre-Colombian Cuzco, the Korikancha (Temple of the Sun). The building houses two full floors with about 15 classrooms, a video room, a full kitchen, an entertainment room and a sundeck.

Cuzco sits perched amidst the clouds and the lush Andean greenery 11,000 feet above sea level, an everlasting legacy to Peru's rich history. Many international tourists are drawn to Cuzco for its proximity to the famous Machu Picchu ruins and the Inca Trail. Due to the high elevation, it is cool at night and sunny but cool during the day year-round. Day temperatures range from high the 60s to 70s Fahrenheit. April to September is the coldest time, with high 60s during the day and 30s at night. Rainy season is from October to April.

### ABOUT THE PROGRAM

There are nine levels of study offered in accordance with ACTFL (American Council of Teachers of Foreign Languages): lower beginner, medium beginner, high beginner, lower intermediate, medium intermediate, high intermediate, advanced, high advanced and superior. Students must pass tests at each level in order to progress to the next.

**Group Program** The Group Program includes 20 or 30 hours per week of Spanish classes. Maximum number of students per class is 4 students, with the average being 2 students. Groups are organized in a way that they will always consist of students possessing the same level of Spanish. At the conclusion of your studies, you will receive a certificate of completion. The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English should be used in class.

**Tutor Program** The Tutor Program includes 20 hours per week of Spanish lessons with a private tutor. The program is recommended for those students at Advanced and Superior levels who have special needs (i.e. special vocabulary, Peruvian history or literature, etc.), or any student wanting an intensive language learning program. Please inform NRCSA of any special needs in advance.

**Children's Tutor Program** The school can accommodate the teaching of Spanish to children ages 5-16. This program is designed as a Tutor (one-on-one) program and utilizes TV Spanish programs, audio cassettes, children's Spanish books and games to create a fun language learning atmosphere.

Please Note: Since Tutors are limited in availability, it is suggested that you make reservations for this program 2 months in advance. Child care may be possible upon special request.

**Volunteer Opportunities** Several volunteer opportunities are available for interested students. Minimum Spanish language level is dependent on type of work and a minimum 2 week Spanish course is required regardless of level before volunteer program begins. Those at Beginning and Post Beginning levels are required to take at least a 4 week minimum Spanish course before beginning their volunteer program.

### Volunteer Work Program

Offers students the opportunity to learn Spanish and to practice their language skills while participating in a Peruvian organization in a voluntary field of their choice. Possible fields of interest include social work, education, tourism, cultural work and catering. This course includes 4 or 8 weeks of the Group Program plus 4 or 8 weeks of volunteer work for a total of 8, 12 or 16 weeks. When booking the Volunteer Work Program, the student must send in a first, second and third choice of project together with a resume and an introduction letter (in Spanish).

### ACCOMMODATIONS

**Homestays** One of the most important parts of your learning and cultural experience is the homestay portion. Families belong to Peru's middle class, although students should take note that living standards in Peru are generally lower than in Europe or North America. Family homes are located in neighborhoods usually no more than a 10 minute bus ride to school. Participants choosing to stay with a family should recognize that a certain degree of flexibility will be required to adjust to the Peruvian customs and way of life. There is no heat provided in homestays.

### SPECIAL INTEREST

**Excursions, Cultural & Social Activities** Organized trips or activities are offered and included in the cost of the program 2-3 times per week. Activities include: city tour, cooking class, dance class, parties, videos, lectures, trips to museums. The student pays for own transportation, entrance fee, etc.

At times NRCSA Center in Cuzco will organize weekend trips. Usually two professors will serve as guides during these excursions.

Additionally, the local coordinators can help students who want to travel independently, or as a group with an outside tourism agency.
