NRCSA Medical Programs in Salamanca, Spain

Spain is a country filled with historical treasures, friendly people and a mild climate. It also has an interesting system of socialized medicine. This program is offered in Madrid and Salamanca.

Salamanca is host to the largest University in Spain and is a students' city. Its famous Plaza Mayor is the center of the city, with its sidewalk cafes, bars, and restaurants. Salamanca is a small town and can be crossed on foot from end to end. Monumental churches, unique buildings, streets oozing with history... Salamanca offers all of this and much more. Salamanca is part of Old Castile and is located within a short distance from Segovia, Avila, Burgos, Santiago de Compostela, Leon and Madrid, which is just 200 kilometers away.

Spanish & Medical Vocabulary Tutorial

PROGRAM

The program consists of 20 hrs/week of Group Spanish lessons including conversation, grammar, reading and writing in small groups. Each lesson lasts 45 minutes and seven different levels, beginners to superior, are offered. Culture and civilization classes are integrated into the program to enhance students' immersion education. Then, 10hrs/week of Tutorial one-on-one classes will focus on medical vocabulary, - working on your strengths & weaknesses. You are encouraged to submit a list of vocabulary in advance to use in the class.

LODGING

Homestays - Two thirds of all students stay with families. These families have been carefully selected by the school. Most families are within 20-25 minutes walking distance to school. In the event that the homestay is farther away, students can use public transportation (subway or bus), the ride being approximately 12-15 minutes. Laundry is not included in family accommodations.

Student Apartments - Those students who wish to take a one, two, or three month course in Madrid, may be interested in renting a room in an apartment shared with other students. The rooms are furnished with bedding provided. The bathroom and kitchen are communal. Students should bring their own towels, and are expected to pay for little expenses (gas, soap, etc.). Most of the apartments are 20 minutes away by public transportation. Keys will be given to the student upon arrival on the Sunday afternoon before classes begin.

Hotels & Apartments - The school utilizes the services of several hotel and apartment options which are situated close to the school. These options are on request and at additional cost.
