UNIVERSIDAD INTERNACIONAL – CUERNAVACA, MEXICO

ABOUT THE SCHOOL AND THE CITY

Universidad Internacional, also known as Center for Bilingual Multicultural Studies, was founded in 1980 and is affiliated with more than 100 universities, colleges and institutions in the United States, Canada, Japan and Europe, as well with the Universidad Autónoma del Estado de Morelos.

Universidad's facilities include a library, bookstore, money exchange office, copy center, cafeteria, computer lab, and fax and telephones services. All students have full Internet access (E-mail, telnet, Web). In addition, Universidad offers services such as medical attention, academic advising and student counseling. Universidad Internacional is staffed by native, experienced, well-qualified, Spanish-speaking instructors.

Cuernavaca, the capital of the State of Morelos, is located just about an hour south of Mexico City. It is a small city of 500,000 inhabitants with the many advantages of a large city. Because of its mild climate year-round, it is known as "The City of Eternal Spring". Cuernavaca's proximity to Mexico City affords students the opportunity to take advantage of the capital to the fullest.
