CITY AND SCHOOL INFORMATION – HYERES, FRANCE

ABOUT THE SCHOOL AND THE CITY

French Riviera Language School was founded in 1975. It provides students with a warm, friendly, family atmosphere for their language studies. The teachers are all university graduates and work as a team. The emphasis is on individual attention to each student's needs. The facility has a modern language laboratory. The students come from all over the world and many are so satisfied with the program that they come again and again.

Our capacity is 130 students; small enough so that everyone is personally known and taken care of, big enough in order to offer the best learning facilities and setting. Bicycles at students' disposal. Every student who regularly attends class receives, at the end of their stay, a certificate showing length of course, attendance, participation and level completed. French Riviera Language School is also recognized as being a center for Alliance Francaise examinations.

Hyeres is located in the posh Cote d'Azur region in the south of France. It boasts many beautiful, clean beaches and a large, striking marina. Hyeres has a history which dates back to the 12th century and the old town is full of winding streets, small shops and a traditional market. There are many cinemas, restaurants and parks which offer recreation.
