CENTRO LINGUA – TAORMINA, ITALY

ABOUT THE SCHOOL AND THE CITY

Established in 1992, Centro Lingua - Centro di Lingua & Cultura Italiana is a small, intimate school with a friendly atmosphere, and is recognized by A.S.I.L.S. (Association of language schools of Italian as a foreign language). The school is housed in a renovated four story 19th century building and each classroom is equipped with visual displays, cassette recorder-player and headphones. The student library, lounge and computer room has access to the internet. All Centro Lingua teachers are university graduates, trained to teach Italian as a foreign language.

Centro Lingua is situated in the heart of Taormina, one of the most popular and most important towns in Sicily. Taormina is located high atop Mount Tauro, just above the Bay of Naxos. The magnificent Mediterranean blue bay and the not so distant, often smoldering Mount Etna offer a spectacular view which can be seen from almost any point in Taormina, including Centro Lingua. Taormina offers easy access to the important treasures of Sicily.

Program & Admission Information - Taormina, Italy

Programs

The methodology used has been developed around a communicative based approach. This means that the program focuses first on the students ability to communicate (written and oral) in the Italian language, and then interjects the grammatical structures and formal rules of the language. To assist in the understanding of the language and its usage teachers will present students with newspaper and magazine article, taped dialog, video-taped situation, letters, and/or short-short stories. This engages the student in an analysis of the grammatical structures in a meaningful and productive manner.

Students who want more practice and want to augment their studies with a traditional exercise book may do so upon request. They exercises and practice material are designed to follow the sequence of the course providing the student with a guide to their independent study. It is also valuable for students who want to continue practicing their Italian after they return home.

There is a maximum number of 8 students per class. This limit ensures a small group which is more conducive to communication, and offers each student the opportunity to speak as much as possible.

The courses are divided into two programs: The Formation Program & The Specialization Program. The Formation Program is divided into three levels (Elementary, Intermediate and Superior) and allows the students to reach the "Threshold Level", i.e. the level of communicative competence according to the Modern Language Project of the Council of Europe. The Specialization Program is divided into three levels (Advanced 1, Advanced 2 and Advanced 3) and allows the students to reach a level of competence in the Italian language which is necessary for entrance into an Italian university.

Each level lasts four weeks. Students are welcome to enroll for as few as 2 weeks or as many as 6 months. Please Note: completion of a particular 4 week course does not guarantee advancement to the next level. Language learning is not a mechanical endeavor. It is an academic endeavor which contains a personal / psychological component as well. Some students have elected to repeat a particular level or delay advancement by a week or two, so as to continue study and practice of particular structures, so as to feel more comfortable. Because methodology is developed from a Communicative based approach and because the materials, activities and tasks are quite extensive, there is no risk that the student will repeat the same activities, using the same materials.

Standard Course Group 20 hours per week. This course is designed for those who want a complete language experience, studying 4 hours per day, focusing on the language analysis activities and the communicative tasks.

Standard Plus Course Group/Tutor 25 hours per week - 20 hours of Group + 5 hours of Tutor weekly. The course is designed for those who, beyond the advantages of the Standard group course, want to have an extra individual hour (one-to-one) per day especially devoted to their needs.

Intensive Course Group 30 hours per week. A course designed for those who want to have a more intensive group course to strengthen their abilities in a shorter time.

Language & Italian History Course 2 weeks, 24 or 28 hours per week - Standard Course, Group 20 + 4 hours of Italian History private tutor, OR Standard Course, Group 20 + 8 hours of group lessons in Italian History. In combination with the Standard Group course, an Italian History course is offered which covers the Etruscans, the Greeks, the Romans, all the way up to the present day in Italy. The History course is taught by individuals trained in the field. Tutor course is offered on the first Monday of every month. The group course is subject to minimum enrollment.
